NAINA KAR

Junior Software Developer | Java. Spring Boot .React.js.Angular

Soro, Balasore, Odisha, India | +91 7894370132 | nainakar2000@gmail.com | GitHub | LinkedIn

PROFESSIONAL SUMMARY

MCA student (2025-27) with hands-on project experince in Java,Spring Boot, React.js, MySQL, and REST APIs. Skilled in developing responsive web interfaces and full-stack applications with a strong foundation in OOP ,DBMS and secure coding practices. Currently learned Angular and TypeScript to expand frontend development skills . Seeking a Junior Software Developer oppurtunity to contribute to frontend and backend development while growing in a collaborative team .

TECHNICAL SKILLS

Languages: Python, Java, C, JavaScript, SQL

Web & Frontend: React.js, HTML, CSS, WordPress, Bootstrap

UI/UX & Design: Figma, UI/UX Design, Responsive Web Design

Backend & APIs: REST APIs

Core CS: Data Structures, Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Tools: Git, GitHub, VS Code

Database : MySql ,SQL, MongoDB

Currently Learning : Angular,Typescript

INTERNSHIP EXPERIENCE

Thiranex Technologies | Cyber Security Intern | Jun 2026 – Jul 2026

- Gained hands-on experience in cybersecurity concepts including network security, phishing attacks, secure authentication, and vulnerability assessment.
- Worked on identifying common web vulnerabilities such as SQL Injection and applied secure coding practices to mitigate security risks.
- Developed security-focused mini projects and documented cybersecurity best practices and threat prevention techniques.
- Strengthened analytical and problem-solving skills through practical exposure to cybersecurity tools and methodologies.

Skill Forge | AI/ML Intern | 2025

- Worked on machine learning concepts including data preprocessing, model training, and evaluation using Python and Scikit-learn.
- Developed mini projects involving phishing email detection and predictive data analysis.
- Utilized NumPy, Pandas, and Scikit-learn for data manipulation and model development.

PROJECTS

Job Sphere | React.js ,Spring Boot ,MySQL,REST APIs

Developed a full stack job portal that enables users to browse job listings,view job details and manage applied jobs .
Built a responsive React.js frontend with reusable components ,state management and REST API integration
Developed backend services using Spring Boot and MYSQL for managing job listings ,user data and applications .

Secure Login System | Java, SQL

- Built a secure authentication system with password hashing and input validation.
- Implemented measures to prevent SQL Injection and improve user security.

Password Strength Analyzer | Java

- Developed an application to analyze password strength based on security rules.
- Provided real-time feedback and recommendations for stronger passwords.

Portfolio Website | HTML, CSS, React

- Designed and developed a responsive portfolio website to showcase projects and skills.
- Implemented modern UI principles and optimized layouts for different devices.

Restaurant Website | WordPress, Elementor

- Designed a responsive restaurant website concept using WordPress and Elementor with a focus on clean navigation, visual presentation, and mobile-friendly layouts..

EDUCATION

College of IT Management and Education | Master of Computer Applications | 2025–2027 | SGPA: 8.83

Centurion University of Technology and Management | Bachelor of Science in Information Technology | 2022–2025 | CGPA: 8.33

Shriram Higher Secondary School, Soro, Balasore | Intermediate (CHSE) | 2021 | 75%

St. Xavier High School, Soro, Balasore | CBSE | 2019 | 71%

CERTIFICATIONS

AI/ML Internship Certificate | Skill Forge | 2025

Cyber Security Internship Certificate | Thiranex Technologies | 2026
